

# VINCENZO ORREI

DATA SCIENTIST - ML & AI SPECIALIST

A highly motivated professional with advanced expertise in Large Language Models (LLMs), Data Science, and Artificial Intelligence, I am passionate about using these technologies to solve complex problems and drive innovation. My skills in LLMs enable me to develop advanced NLP solutions and deploy AI applications effectively. With a fast learning ability, I adapt quickly to new tools and trends, always aiming to create a lasting impact through strategic AI implementation.

## CONTACTS

### Address

Via Santa Clementina 6  
82100 Benevento, IT

### Phone

+39 3473698784

## SKILLS

Python, SQL, R, Pharo

LLMs, Gen AI, Computer Vision, Time Series, Pattern Recognition, Forecasting, Statistics, Data Visualization

LangChain, LangGraph, Spacy, Tensorflow, Keras, OpenCV, Sklearn, Statsmodels, Scipy...

## EXPERIENCE

2024 - on going

Develhope S.r.l.

ML & AI Teacher

- Python/SQL Teacher;
- ML & AI Lead Teacher: Designed educational **slides**, authored and curated **code** references, and managed student-driven **projects**.

2022 - 2023

Reveal @ USI

Ph.D. Student

- Research topic: code ownership
- Achievements: **Research paper** "Contribution based Firing of Developers?" at ESEC FSE;
- **Teacher assistant** for the course Software Atelier 4.

2021 - 2022

TXT e-solutions

Software Developer

- Bank payment methods;
- **Payment testing** software for SIA.

2020 - 2022

Contrader S.r.l.

Data Scientist

- Skilldo project: Football player data analysis;
- ML & AI for **performance analysis** in football players and clubs, including **S.S. Lazio**, Empoli F.C., and Delfino Pescara 1936.

## EDUCATION

2017 - 2020

Università di Bologna

**Scienze Statistiche, Finanziarie e Attuariali (108/110)**

Master's Degree

2019 - 2020

Università di Bologna /  
Regione Emilia  
Romagna

**Data Science**

Training Course

2013 - 2017

Università di Bologna

**Economia Aziendale**

Bachelor's Degree
